

PEST CONTROL SERVICES

Rosslyn Heights North (RHN) has an exterminator under contract for routine pest control for common areas (laundry rooms, stairwells, etc). As part of the contract, certain pest control services are available to individual unit owners at no extra charge for up to five unit owner requests per month

If a unit owner needs to schedule extermination services, call email Meera Genebroso, MGenebroso@ghacm.com. Identify yourself as a unit owner at Rosslyn Heights North Condominium, provide your address, location of issue and identified pests within your unit.

There is a charge to the unit owner for other types of extermination.

Savage Pest provides services on the 1st Wednesday of each month. Unit owners must email no later than 48 hours prior before to request treatment and to be placed on the schedule. The unit owner or tenant must be home to let the exterminator into the unit.
